**DIVERSITY, EQUITY
and INCLUSION
- POLICY**

Purpose & Scope

Formycon AG is committed to fostering a work environment that is inclusive, equitable and diverse, where each employee is treated fairly and is respected; and where every team member has an equal opportunity to contribute to the success of our company and reach their full potential. This commitment is endorsed by our leadership and includes every member of our team..

This policy applies to all current employees of Formycon AG and it extends to our treatment of vendors and suppliers, contractors, visitors, customers and job applicants.

Definitions

Diversity refers to our differences including age, race, colour, national or ethnic origin, family or marital status, sex, gender identity or expression, sexual orientation, language, physical and mental ability, genetic characteristics, political affiliation, religion, socio-economic status, and other characteristics that make our employees unique.

Equity means ensuring fair access to all employment opportunities for everyone, regardless of diversity or difference. It also addresses systemic barriers to access and participation in employment opportunities, sometimes through practices that may not appear to be “equal”.

Inclusion is the process through which the company builds a community and where employees and the organization at large experience the benefits of diversity. Inclusion provides everyone with the right to participate in our workplace and removes any conditions of disadvantage in employment that may be experienced by e.g. minority groups.
